THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES ( SHRI SUBODHKANT SAHAI )

(a) to (d): Infrastructural constraints is one of the reasons for wastage of Agro produce which takes place due to a variety of factors. The Ministry of Food Processing Industries, under its plan schemes, provides financial assistance for overall development of the Food Processing Industry / Infrastructure including for provision of common facilities in Food Parks. The Ministry does not set up projects on its own. The Ministry has, so far, approved 50 Food parks for providing financial assistance all over the country. Food Parks being infrastructure projects, have a longer gestation period and have attained different levels of progress. Over 800 units have been allotted plots or are using common infrastructure facilities. 13 Food Parks are partially functional the details of the approved Food Parks alongwith the project cost is given in the statement attached.
